Port of Siuslaw Resolution 12-21-16C

A Resolution to Adopt a State Mandated Whistleblower Policy

WHEREAS, during the 2015 legislative session, House Bill 4067 was passed to protect employees who act on good faith and objectively reasonable belief to report a violation of federal, state, or local law, rule, or regulation by their employer, and;

WHEREAS, beginning January 1, 2017, all public and nonprofit employers must establish and implement a whistleblower policy. The policy must delineate all rights and remedies provided to employees and employers will need to deliver a written or electronic copy of the policy to each employee;

NOW, THEREFORE, the Board resolves as follows:

Section 1. The following Whistleblower Policy is hereby adopted:

Purpose

To provide reporting procedures should a Port employee become aware of improper government action in accordance with Oregon Revised Statute 659A.200 to 659A.224.

- I. The Port encourages any employee with knowledge of or concern of an illegal or dishonest fraudulent Port activity to report it to the Human Resources Director or designee. The employee may also provide the information to another manager, a state or federal regulatory agency, a law enforcement agency or an attorney licensed to practice law in Oregon if a confidential communication is made in connection with the alleged violation. Attorneys employed by the District may report violations of law to the Attorney General, subject to rules of professional conduct. All such issues will be investigated in a timely manner to determine fault and institute any appropriate corrective measures. Examples of illegal or dishonest activities are violations of federal, state, or local laws; billing for services not performed or for goods not delivered; and other fraudulent financial reporting. For any employee wishing more information, further details can be obtained from the Human Resources Director.
- II. The employee must exercise sound judgment to avoid baseless allegations. An employee who intentionally files a false report of wrongdoing may be subject to corrective action up to and including termination.
- III. Whistleblower protections are provided to maintain confidentiality and to prevent retaliation. While identity may have to be disclosed to conduct a thorough investigation, to comply with the law, and to provide accused individuals their due course, the privacy of the individual making the report will be protected as much as possible. The District will not retaliate against a whistleblower. This includes, but is not limited to, protection from retaliation in the form of an adverse employment action

such as termination, compensation decreases, or poor work assignments and threats of physical harm. Any whistleblower who believes he/she is being retaliated against must contact the Human Resources Director or designee immediately. The right of a whistle blower for protection against retaliation does not include immunity for any personal wrongdoing that is alleged and investigated.

IV. All reports of illegal and dishonest activities will be promptly submitted to the Human Resources Director or designee who is responsible for investigating and coordinating corrective action.

This Policy will be evaluated and revised regularly to maintain compliance with state records retention requirements and applicable Port policies.

Section 2. The following acknowledgment shall be provided to individuals required to comply with the Whistleblower Policy:

Acknowledgement of Receipt of the Whistleblower Policy

- 1. I have received a copy of the Port of Siuslaw Whistleblower Policy.
- 2. I understand that I am responsible for becoming and remaining familiar with the policies, procedures, requirements, and other information contained in this Policy and in other applicable Port policies and procedures.
- 3. The policies, procedures, requirements, and other information contained in this Policy may be modified, deleted, or added to, at any time.
- 4. I understand that I will receive a copy of any significant change in this Policy.

Update: FY2017 funding and WRDA

A continuing resolution (CR) funding the government through April 28, 2017 has been introduced and will be voted on by both the House and Senate by the end of the week. The current CR expires on Friday, December 9th, and passage of the bill is needed to avoid a government shutdown. The CR extends current federal funding levels, and also provides additional funding to the Corps including \$54.8M for the Construction account and \$259.5M for operations and maintenance (O&M). The CR would also require the Corps to provide monthly reports to the Appropriations Committees detailing how the additional funds are spent.

<u>WRDA</u> also continues to move forward. The bill, which is included in Title I and Title IV of the comprehensive "Water Infrastructure Improvements for the Nation (WIIN) Act," was considered by the House Rules Committee today and will be voted on by the full House tomorrow. The Senate will hopefully follow suit and take the legislation up on Friday. PNWA <u>provided our thoughts on the bill</u> earlier this week, and has urged Members of the Northwest Congressional delegation to support passage of the bill. We have also sent letters to the Committees noting our support for this critical legislation,

There is still controversy surrounding WRDA, particularly with regard to drought provisions, and the bill could be delayed. We encourage all PNWA members to reach out to their House and Senate offices to voice your support. If you have any questions, please contact <u>Heather Stebbings</u>.
