PAY HERE

POWERED BY QRTIVE

Scan to Pay - Surface Lots

- Allows customers to pay with their phone by scanning a sign from anywhere in the facility.
- Supports Google and Apple Pay – no app required, 2 taps to pay – captures email address with transaction for further marketing
- Signs can be placed anywhere – all trackable at the sign level
- Low cost way to add a mobile payment option to your surface lot

Fee Structure Options

- #1: 0% to Seller + \$.99 Convenience to the Parker
 - Share License Plate Data for Enforcement
- #2: 3% of Sale + 5% Convenience Fee to the Parker
 - Share License Plate Data for Enforcement
 - Share User Email Data for Operator Marketing

Scan to Pay is your On Ramp to Google, Apple

- Arrive is an Early Access Partner for both Apple and Google
- Both platforms have launched new "Instant App" platforms allowing for a more native experience even if the user does not have an App
- The same platform is how they will enable discovery and payment for parking in Apple Maps and Google Maps, as well as CarPlay and Android Auto
- These platforms will also make it easier to upsell new MPG services like EV Charging, Vehicle Services, Scooters and more as we roll them out with MPG
- Arrive is currently testing with both platforms throughout 2021
